Celebrating Snow, with the Elkford Snowmobile Club!

We are a club who loves all the snow we get here in Elkford, can you blame us? Since 1986 when we were registered under the Society Act, we've been working hard and playing hard in the snow.

Beginning with our founding members building the Bleasdell Cabin, to the members who made the purchase of our first groomer in 2000 possible, to the more recent members who worked hard on our Koko warmup shack and the purchase of our newest groomer; we're proud of the work that's been accomplished!

Looking to the future, we dream of even more access to play in our beautiful mountains, big group rides like we've had in the past, and always great fun and rewarding days for our members and most importantly our volunteers.

See you out there!

We even have a toboggan hill right in town.

ELK LAKES PROVINCIAL PARK

About an hour and a half drive up Elk Lakes Forestry Road (two-way radio required), you'll find the lower and upper Elk Lakes. Stunning views and trail and it makes a great place for a day hike with overnight camping opportunities.

WAPITI MOUNTAIN

Also known as Grizzly Peak, once at the top you should be able to see Crowsnest Mountain to the southeast. Just park and hike anytime from July to September.

MOUNTAIN MEADOWS GOLF COURSE

As you drive into Elkford, you will find the 9 hole golf course to your left. It offers the best value in the Kootenays with high mountains, creeks and wildlife viewings.

DEERBORNE DISC GOLF COURSE

In the south part of town, you will find our disc golf course on Deerborne Drive. You can go on your own or join the local Deerborne Disc Golf Club for regular leagues.

GRAVE LAKE

This clear spring-fed lake is a must see. Lots of activity with canoeing, paddle boarding and kayaking and an occasional motor boat. You can often see and hear loons echo across the lake.

BLUE LAKE
